

Tenth Grade English Summer Reading Guidelines

For summer reading, all 10th grade English students will read *Unbroken* by Laura Hillenbrand. Please make sure that you purchase the unabridged version of *Unbroken* (rather than the Young Adult Abridged version). The ISBN number for the version you should purchase is 978-0-8129-7449-2. This novel contains depictions of war that are often graphic; I expect you to approach this as a mature reader. Please understand that reading the abridged version is not an acceptable substitute for the full-length book, and reading the abridged version will not prepare you for the test or the rigor of 10th grade English in general. You are expected to read the novel carefully without using Internet summaries or any sources other than the actual book (including movies). You are highly encouraged to use highlighters and/or make notes in your book. You will remember more of the storyline if you actively read.

Testing Guidelines

You will complete **25%** of your summer reading test grade by posting to the summer reading discussion board on Google Classroom. There are 5 questions to which you must post a response. There is no minimum amount. Each post is worth 5% of your grade, for a total of 25%. **These discussion board posts are due by Monday, August 9th at 11:59pm. No late submissions will be accepted.**
